

# LUSSMANN'S

## FISH & GRILL

### Restaurant Managers

Would you like to join the friendly team within an award-winning, expanding business? This is a great opportunity to develop your career with a dynamic restaurant group where people are passionate about food, work hard and support each other.

Lussmanns Fish & Grill is a popular, independent restaurant group with brasseries in Hertford, St Albans, Harpenden and Hitchin in Hertfordshire, all close to train and bus stations. Since opening in 2005, we have established a loyal local following, won national awards, been recommended by The Good Food Guide since 2010 and were described by *The Times* food critic Giles Coren as '*everything a modern local restaurant should be*'. In 2016, we were voted national 'People's Favourite' at the Independent on Sunday / Food Made Good Awards.

We are a forward-looking company offering personal development and career opportunities to our valued staff. With more restaurants opening, we need talented managers to join us.

You'll need to make us smile, love food, take pride in delivering outstanding service and be motivated to join our top-quality team. You'll also need to:

- have at least one year's supervisory or assistant manager level experience (or the enthusiasm for learning and positive attitude to make up for your lack of experience)
- have excellent organisational, communication and interpersonal skills
- be passionate about good food and great service
- be able to work in any of our restaurants in Hertfordshire

In return, we offer:

- full induction, a comprehensive training programme and ongoing support
- opportunities to progress within our restaurant group
- great rates of pay, with 100% of all tips going to staff
- complimentary meals during your shift
- good hours, with flexible working
- 5.6 weeks' paid holiday per year, including two days off on 25 & 26 December
- clothing allowance, staff excursions and an annual awards night
- 25% staff discount

This is a great opportunity to develop your career with an award-winning, ethically driven business.

As the 'locals' favourite' restaurant, we provide an energetic, lively and fun place to work. If you have a passion for great food and want to learn, then we look forward to hearing from you.

To find out more and apply, please email your CV to our Human Resources & Customer Relations Manager, Laura Easter ([laura@lussmanns.com](mailto:laura@lussmanns.com)).
